# What are the **communities of practice**?

- ✓ Communities of Practice are **public online groups** where people with similar interests in adult learning come together.
- ✓ Anyone can **register to actively participate**,
- ✓ It ensures a **wider audience** for your public content.

Want a new group? Create your own!

Set up a new community of practice on EPAL and invite your peers to join!

Create your own group →

# What are the epale **collaborative spaces**?

Collaborative spaces are **private online groups** where adult learning professionals with similar interests can come together to exchange ideas, resources, and best practices.

Each collaborative space has a **moderator** who can add new people to the group.

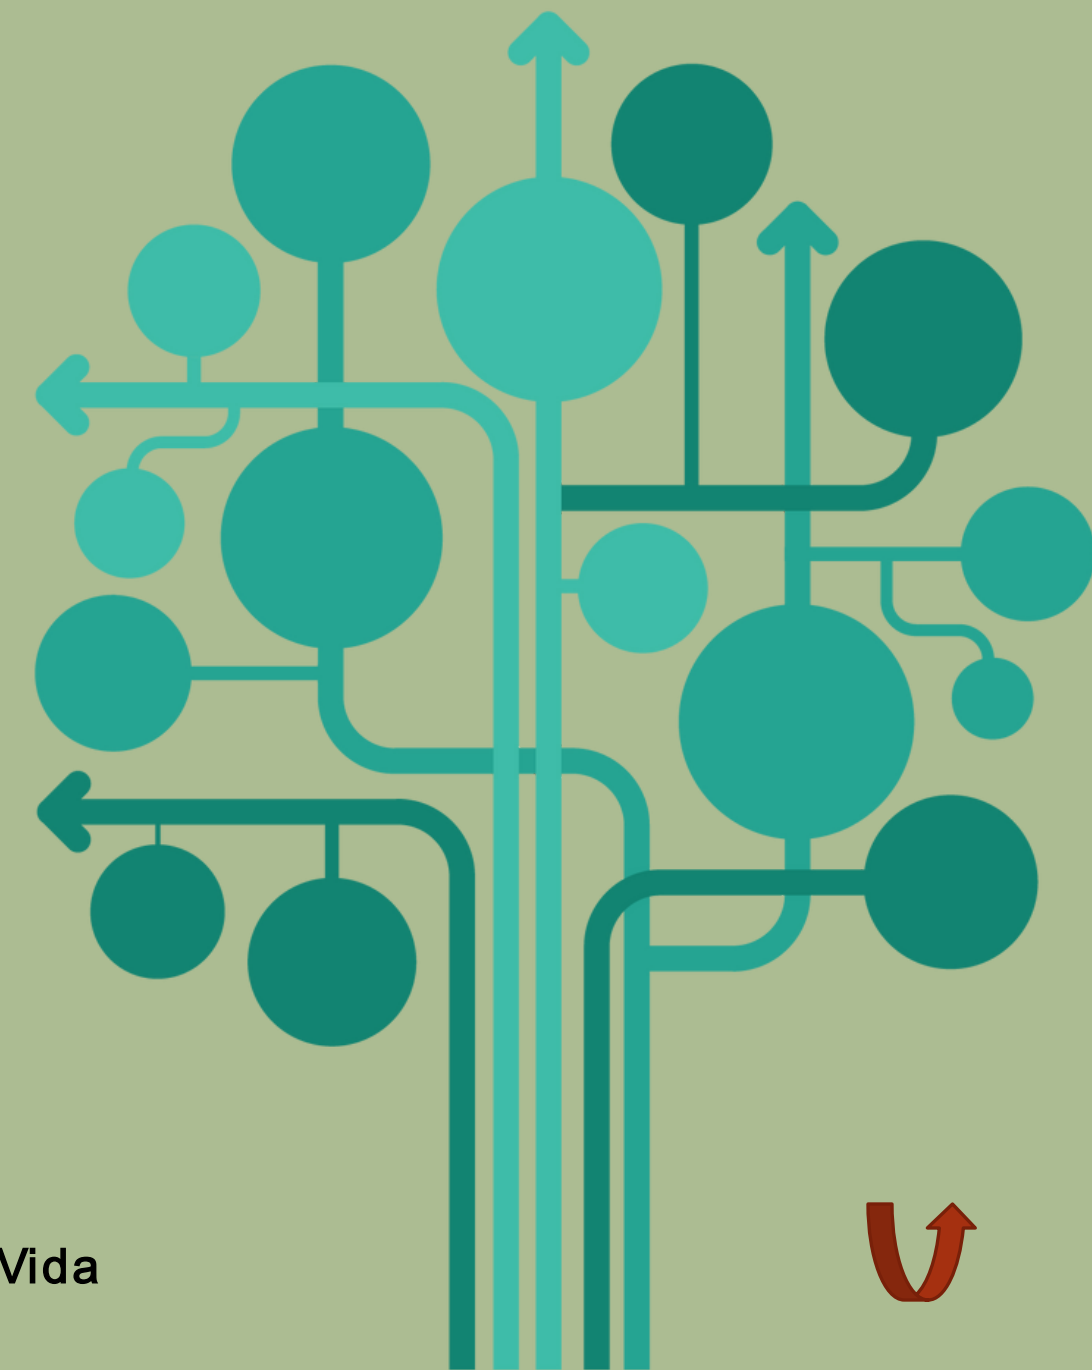

You need to **request** to join one or can create your own.

Want your own space?

Set up a new collaborative space on EPALe and invite your peers to join!

Create your collaborative space →

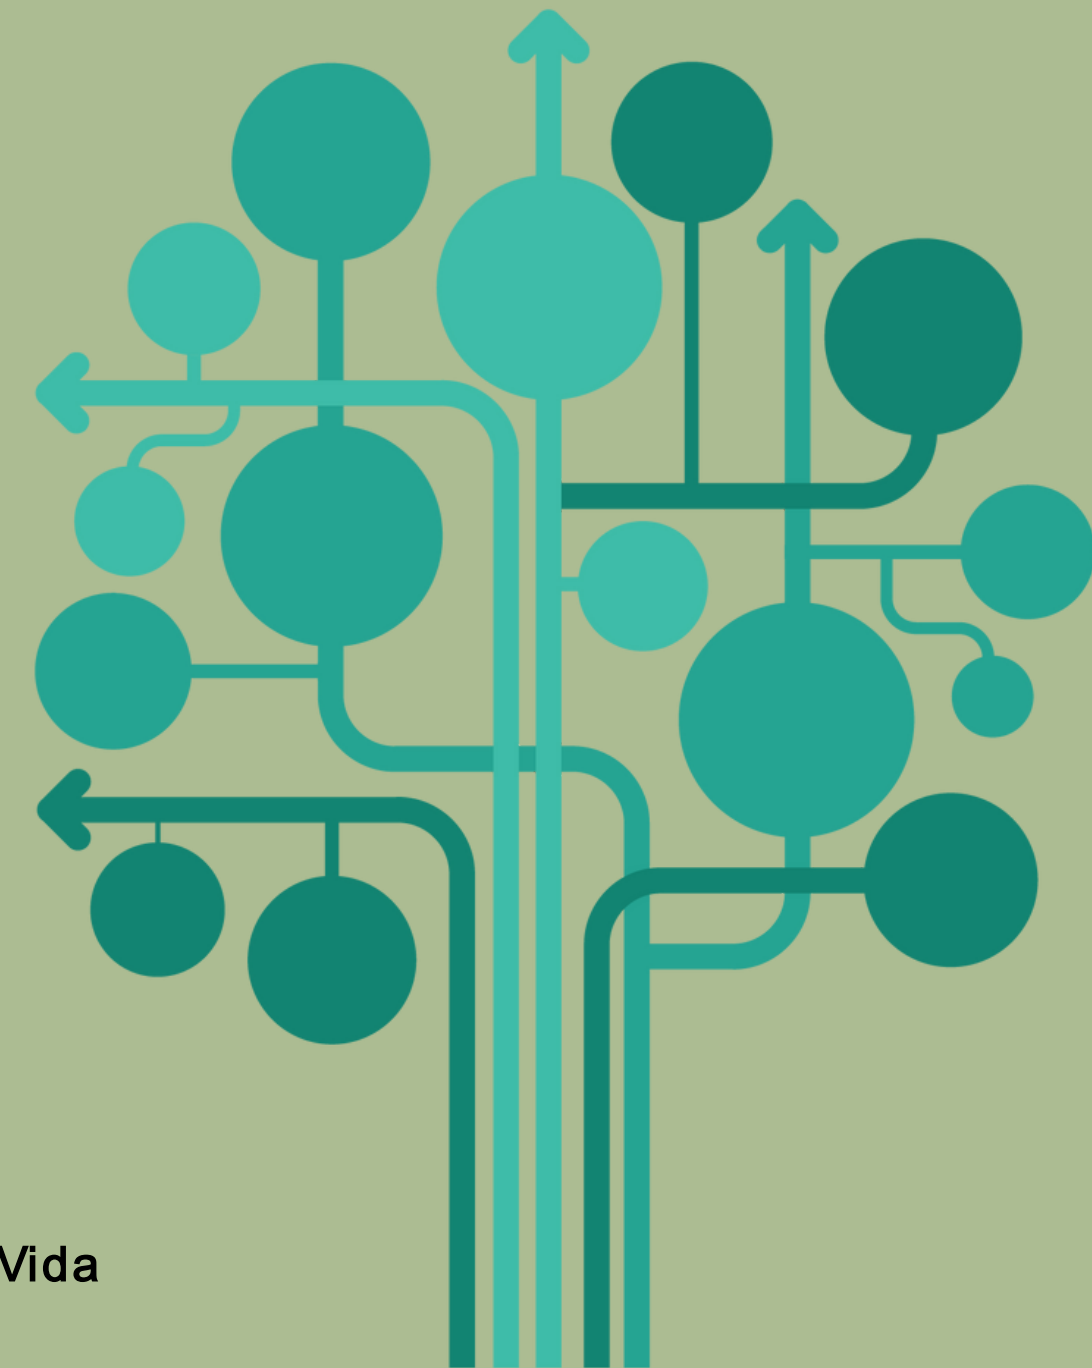

# What is erasmus+ space?

A tool specifically designed for Erasmus+ KA1 and KA2 projects, which is included within the EPAL platform

Project coordinators and their partners can use it for **project management and dissemination**, as it allows publishing content privately and for the public.

**Closed groups** with the possibility to publish **public content** for a wider audience.

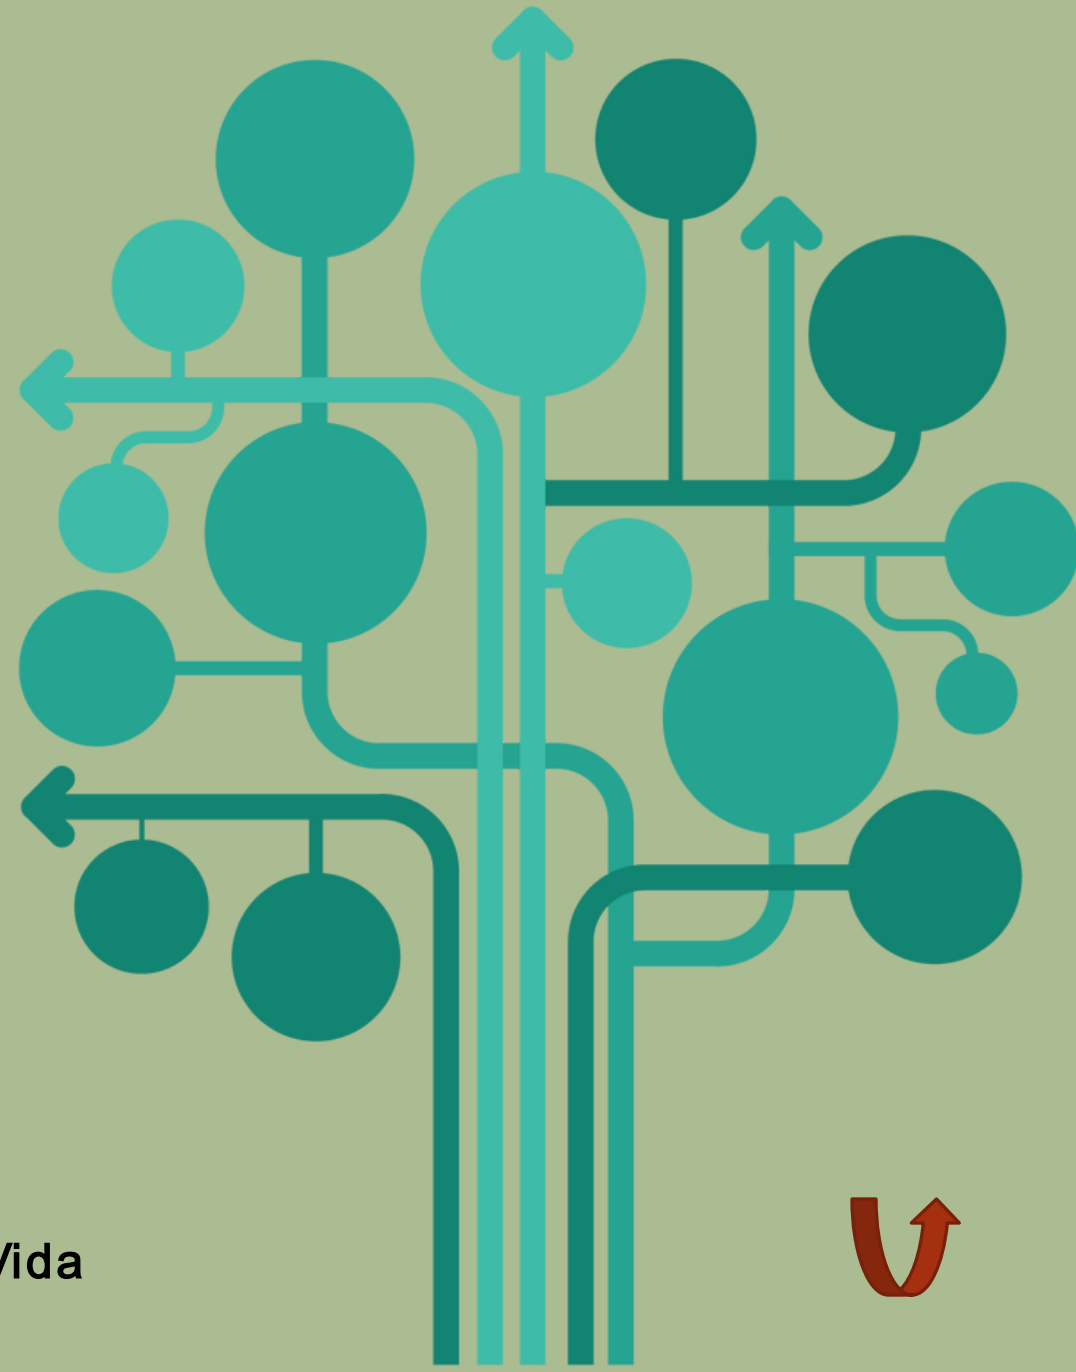

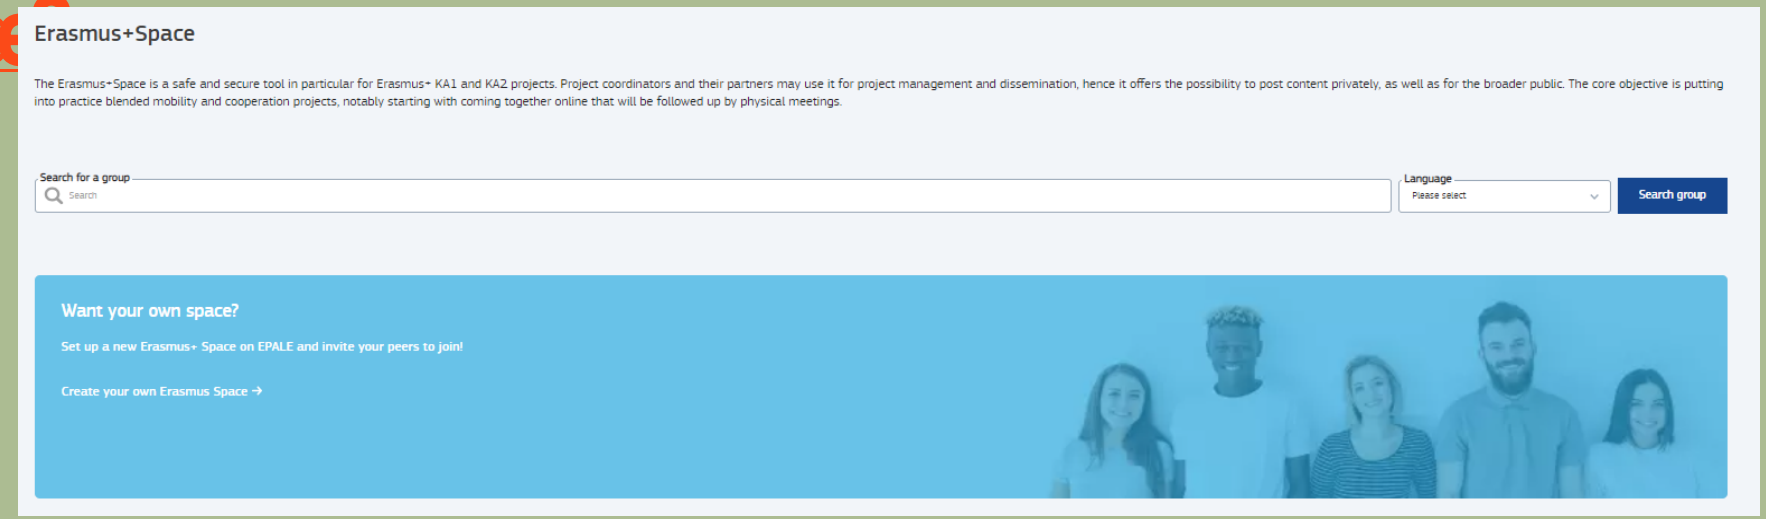

# Erasmus+ space

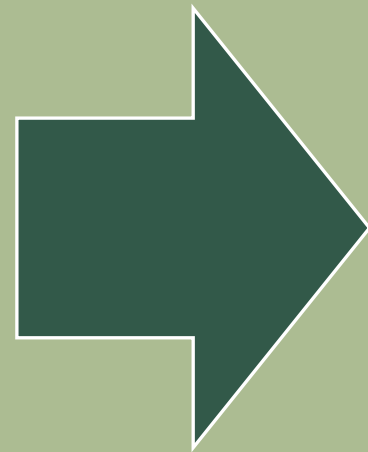

The user must have an **EUlogin account** to access EPAL or register with a username and password.

Go to the **'Collaborate'** tab to find Erasmus+ Space.

To create your own Erasmus+ Space you have to fill in the form in **Want your own space?**

# Epale's partner search

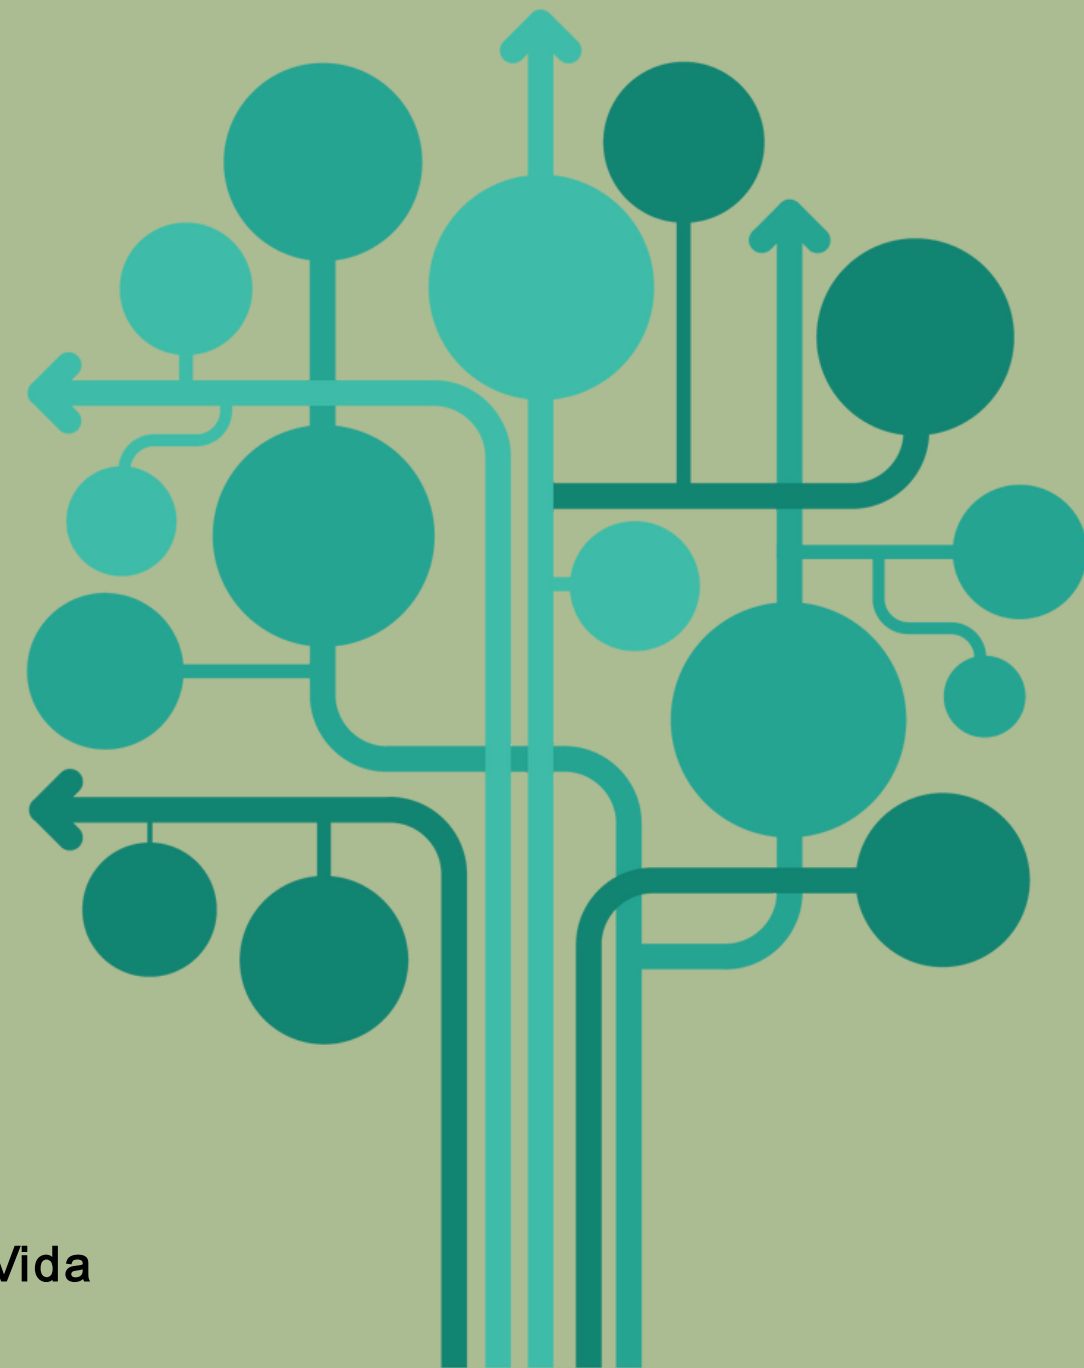

**Create a partner request to build networks by inviting others to contact you and get involved.**

**Find organisations and individuals who are interested in collaborating with.**
